RELIABLE SECURITY SOUND & DATA

DESIGN, INSTALLATION AND SERVICE

APSAALOOKE NIGHTS CASINO PROJECT

Dateline: December 8, 2010

Reliable Security Sound and Data is pleased to announce that they have been awarded the contract for the low voltage security surveillance, access control, voice and slot data and audio/visual systems for the Apsaalooke Night Casino in Crow Agency, Montana.

Once again, RSSD will be working with our industry leading suppliers on this important project, using IndigoVision's IP CCTV solution, Maxxess access control, along with Ashly and TOA audio equipment.

IndigoVision

MAXXESS

ASHLY

Reliable is pleased to be working with the Crow Nation and looks forward to exceeding expectations on this project .

About Reliable Security Sound & Data- Reliable Security Sound & Data is a full service low voltage electrical contractor based in Everett, Washington. Reliable Security offers design build services, design only and specification bidding. RSSD has over 30 years of experience in the design and installation of large central based information systems that comprise surveillance, security, life safety, audio/visual, voice/data and slot data systems.
