RELIABLE SECURITY SOUND & DATA

DESIGN, INSTALLATION AND SERVICE

DAKOTA MAGIC AND DAKOTA CONNECTION PROJECT

Dateline: January 26, 2011

Reliable Security Sound and Data is pleased to announce that they have been awarded the contract to convert the Dakota Magic Casino and Hotel plus the Dakota Connection Casino to a 100% IP digital recording system with IndigoVision.

IndigoVision

With the installation of the IndigoVision IP CCTV system, Dakota Magic will be able to view and control cameras that are in use at Dakota Connection. HDTV cameras will be installed over the gaming tables at these properties.

Reliable appreciates the opportunity to work with the Sisseton-Wahpeton Oyate and looks forward to continuing their long term relationship.

About Reliable Security Sound & Data- Reliable Security Sound & Data is a full service low voltage electrical contractor based in Everett, Washington. Reliable Security offers design build services, design only and specification bidding. RSSD has over 30 years of experience in the design and installation of large central based information systems that comprise surveillance, security, life safety, audio/visual, voice/data and slot data systems.
