

## LEGENDARY WATERS CASINO PROJECT COMPLETION

**Dateline: August 25, 2011**

Reliable Security Sound & Data (RSSD) is pleased to announce the completion of the Legendary Waters Casino low voltage system. This system was done in conjunction with Faith Technologies.

The Casino, Located in Red Cliff, WI, opened August 11, 2011

RSSD was responsible for the complete design of the low voltage system which includes security, audio/visual and voice data.

Legendary Waters utilizes the IndigoVision IP solution for their CCTV along with Winchester storage. The audio visual system will utilize both Ashly and TOA products.

**WINCHESTERSYSTEMS®**  
Storage Without Complexity

IndigoVision

RSSD is pleased to be associated with the Red Cliff Band of Lake Superior Chippewa and is happy to announce the opening of the casino in the beautiful vacation area of northern Wisconsin.
