

RELIABLE SECURITY SOUND & DATA

DESIGN, INSTALLATION AND SERVICE

## MANCHESTER-POINT ARENA CASINO PROJECT

**Dateline: August 19, 2010**

Reliable Security Sound and Data is pleased to announce that they have been awarded the CCTV and access control design/build contract for the new Manchester-Point Arena Casino in California. RSSD will be installing IndigoVision's digital IP CCTV system and integrating it with Maxxess access control. The new casino is due to open in January, 2011.

Manchester-Point Arena Casino  
MANCHESTER - POINT ARENA CASINO

Reliable is pleased to be working with the Manchester–Point Arena Band of Pomo Indians and looks forward to completing this exciting new project on time and on budget.

**About Reliable Security Sound & Data-** Reliable Security Sound & Data is a full service low voltage electrical contractor based in Everett, Washington. Reliable Security offers design build services, design only and specification bidding. RSSD has over 30 years of experience in the design and installation of large central based information systems that comprise surveillance, security, life safety, audio/visual, voice/data and slot data systems.
