MOHICAN NORTHSTAR CASINO OPENING DECEMBER 31, 2008

Reliable Security is pleased to announce the opening of the Mohican North Star Casino in Bowler, Wisconsin. Reliable Security was teamed with Town and Country Electric and Group West Architects in the design build project to include surveillance and complete security.

This system incorporated the IndigoVision virtual matrix solution along with Maxxess access control and Inovonics wireless systems.

Reliable Security congratulates the Stockbridge -Munsee Band of Mohican Indians on their new casino. Reliable thanks Town and Country for their hard work on another successful project for Reliable Security.

Bill Miller, President
